

**ENGLISH TRANSLATION OF LETTER FROM CITY REPRESENTATIVE AND
PRESIDENT OF THE COMMISSION ON JUSTICE AND HUMAN RIGHTS IN
PUERTO VALLARTA, JALISCO, CLAUDIA ALEJANDRA IÑIGUEZ RIVERA**

Puerto Vallarta, Jalisco on May 23, 2022

Subject: letter of recommendation.

TO WHOM IT MAY CONCERN

By means of the present please receive a cordial greeting, and in turn allow me to highly recommend the nonprofit organization **EDUCATION AND SPORTS FOR A BETTER LIFE** because it has achieved the warm recognition of the community in the Magisterio neighborhood by promoting the well-being of the community and the family; said organization promotes social inclusion and the education of children and young people who come from low-income neighborhoods through a reading/writing/math intervention program and various educational and recreational activities. It also provides food to children and young adults through a feeding program.

In the El Salitrillo neighborhood, they teach music, swimming, English, basketball, soccer, dance, cross fit, among other activities.

Without other particulars for the moment, I say goodbye to you respectfully and reiterate our support.

SINCERELY

CITY REPRESENTATIVE CLAUDIA ALEJANDRA IÑIGUEZ RIVERA

PRESIDENT OF THE PERMANENT BUILDING COMMISSION ON JUSTICE AND
HUMAN RIGHTS.
